What are my **TOP PRIORITIES?**

PUBLIC SAFETY:

Public Safety is my top priority. I will collaborate with police to combat retail theft, home burglaries, and Fentanyl threats. I will also work towards e-bike safety and overall school safety.

AFFORDABILITY:

Everyday expenses have skyrocketed for everyone. As property owner, I will fight for affordability including keeping taxes low, fees down, and block new financial burdens on residents.

ADDITIONAL PRIORITIES:

My additional priorities include wildfire prevention, local control of housing, traffic mitigation, attracting new businesses, enhanced services for children, seniors, the disabled, and veterans.

Let's Keep Yorba Linda, Yorba Linda!

Son, Husband, Dad to Two, Long Time Homeowner in Yorba Linda, Successful Business Owner, Current Chairman of the Yorba Linda Planning Commission, Former Yorba Linda Traffic Commissioner, and active Rotarian.

Should I earn your vote, I will work tirelessly for all of us.
